**POSITION ANNOUNCEMENT**  
**ELECTRICITY INSTRUCTOR**

The Tennessee Technology Center at Crump is accepting applications for the position of an Electricity Instructor.

**Qualifications:**  
 Applicant must have a minimum of a high school diploma and preferably formal training from an approved electrical program/school. Minimum of three (3) years current work experience in related field required. Teaching experience, master electrician preferred. Must have a current Tennessee L.L.E. License. Must be able to develop and provide theoretical and practical instructions for all phases of the Electricity program to include fundamentals of electricity (Ohm's Law), AC and DC motors, transformers, alternators, wiring methods, conduit bending, service installations, and electric motor control. Candidate should possess thorough knowledge of National Electric Code and be proficient in the installation, operation, maintenance and repair of electrical systems. Additional maintenance skills will be a plus.

**General Duties:**  
 The Electricity Instructor is responsible for teaching all phases of the Electricity curriculum in a post-secondary environment. Other duties include daily lesson planning, maintaining student records, student retention and job placement.  
 Applications/Resumes will be taken until the job is filled.  
 Submit Application/Resume to:  
**Tennessee Technology Center at Crump**  
 Attn: Human Resource Office  
 PO Box 89  
 Crump, TN 38327  
 EOE/ADA/Affirmative Action Employer  
 A Tennessee Board of Regents Institution
