

Christmas Memories

On Christmas my cousin is coming to my house and I almost never get to see her that is why I am very excited. I hope she will surprise me by getting there before I wake up in the morning.

This year for Christmas I don't want much the main thing I want is to be with my family.

My Christmas tradition is to pile up on my couch and watch Polar Express and How the Grinch Stole Christmas and eat peanut butter balls dipped in chocolate.

Then when I wake up on Christmas morning I open presents and eat more peanut butter balls and breakfast.

After that I go to my Grandmother and Papaw's house I eat lunch, play, open presents and spend time with my family because that's what Christmas is all about.

My favorite to do at Christmas is decorating the house. We have so much fun. Setting up the Christmas tree is so much fun. Exchanging gifts at school is fun. But my favorite thing to do is eat and celebrate the day Jesus was born. No room in an Inn so Mary had Jesus in a barn. That's why we celebrate Christmas.

On Christmas Eve I like to bake cookies for Santa Claus. Christmas day I like

to open Christmas presents from Santa. I love to go Christmas shopping. I love being with my family and friends. It is always the best Christmas ever. The cookies I make for Santa are homemade cookies. I always need a little help cooking the cookies. I love Christmas! My favorite Christmas event is making Santa cookies. The cookies are very good!

My favorite thing to do on Christmas is to open all the presents. And go outside and play with it. Some times I get a lot of presents and some times I don't get many presents. Me and my sisters favorite holiday is Christmas. I like to play on Christmas day because I have a lot of things to play with. And that's my favorite to do on Christmas.

It's Christmas I scream as I wake up. I run to the tree and open my presents. Then I get dressed and go outside to find Odey. I give him his present of treats, and my favorite thing to do on Christmas. I build a snowman and a snow woman. Then I eat soup with dad. Then I go sledding. We sled by getting some ten and some rope. We tie the rope to the four-wheeler get on the ten and hold the rope. Someone will drive fast or slow. That is my favorite thing to do on Christmas.

My favorite thing to do on Christmas is spend time with my family. On Christmas I spend time with my family and we play games like bingo. We have so much fun then we open our presents with our whole family. Then the kids go downstairs to play. Then we stay upstairs after were done. So we stay with our fam-

ily and have so much fun we play then we eat some food like cake. Then we throw all of our trash away. Then we just watch tv. Then once everybody leaves we go to sleep. But we never forget the Christmas holiday.

I like to celebrate Christmas and Jesus birthday. The presents are very nice but Christmas is all about Jesus. So I wish him a happy birthday. When I die I want to spend eternity in heaven. I love Christmas.
