PUBLIC NOTICE

TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION

Division of Water Resources

William R. Snodgrass Tennessee Tower

312 Rosa L. Parks Avenue, 11th Floor

Nashville, Tennessee 37243

TO WHOM IT MAY CONCERN: The application described below has been submitted for an Aquatic Resource Alteration Permit under The Tennessee Water Quality Control Act of 1977, T.C.A. §69-3-108. In addition, federal permits may be required from the U. S. Army Corps of Engineers and the Tennessee Valley Authority under §404 of the Clean Water Act and §26a of the Tennessee Valley Authority Act, respectively. Section 401 of the Clean Water Act requires that an applicant obtain a water quality certification from the state when a federal permit is required. This notice may cover applications subject to §401.

No decision has been made whether to issue or deny this application. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the Division. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. If it is hard for you to read, speak, or understand English, TDEC may be able to provide translation or interpretation services free of charge. Please contact Saul Castillo at 615-532-0462 for more information. The applicant's name and permit number should be referenced. Send all written comments to the Division's address listed above and to the attention of the permit coordinator (indicated below). You may also comment via email to [water.permits@tn.gov](mailto:water.permits@tn.gov). After the Division makes a final permit decision, a permit appeal may be filed by the applicant or by any person who participated in the public comment period whose appeal is based on comments given to the Division in writing during the public comment period or in testimony at a formal public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the Division's address (listed above) for review and/or copying or by visiting the TDEC website at <https://www.tn.gov/environment/topic/ppo-water> and searching on the Application Number listed below.

Interested persons may also request in writing that the Division hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reason(s) that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the Division shall hold a public hearing in accordance with 0400-40-07-.04(4) (f).

In deciding whether to issue or deny a permit, the Division will consider all comments of record and the requirements of applicable federal and state laws. In making this decision, a determination will be made regarding the lost value of the resource compared to the value of any proposed mitigation. The Division shall consider practicable alternatives to the alteration, loss of waters or habitat, diminishment in biological diversity, cumulative or secondary impacts to the water resource, and adverse impacts to unique, high quality, or impaired waters.

PROJECT DESCRIPTION / PURPOSE

The proposed work includes reauthorization of a current permit for commercial sand and gravel dredging in order to continue dredging in areas currently permitted, and authorization for an additional dredging area. The applicant proposes to use a hydraulic dredge to remove sand and gravel from the river bed for regional use in construction activities including asphalt, concrete, etc. The dredged materials would be classified and sorted onboard the dredge, transported to a barge, and transported directly to a customer. Unused dredged material and river water are discharged back into the river under the dredge immediately following the onboard classification process. No dredging is permitted or occurs within 150 feet of the main navigation channel sailing line, or within 100 feet from any river bank. A chart showing the currently authorized dredging locations, and the new locations, is shown under Points of Impact below:

WATERSHED / WATERBODY DESCRIPTION

The Tennessee River, Kentucky Reservoir, ID TN06040001001\_1000, is located in the 8 digit Hydrologic Unit Code – 0604000, Western Valley-Beech River. The Tennessee Western Valley (Beech River) Watershed is located in Tennessee and Mississippi. The Tennessee portion of the watershed (97.8 percent of the watershed) includes parts of Benton, Carroll, Chester, Decatur Hardin, Henderson, Humphreys, McNairy, Perry and Wayne counties. It drains approximately 2,097 square miles, 2,041 square miles of which are in Tennessee, and empties to the Tennessee Western Valley (KY Lake) Watershed. To view the proposed location of these impacts and the watershed condition visit <http://tdeconline.tn.gov/dwr/> and search on the permit number listed in the title of this Public Notice.

EXCEPTIONAL TENNESSEE WATERS

The Tennessee River, Kentucky Reservoir is Exceptional Tennessee Waters because of the presence of the presence of federal and state endangered and threatened species

DETERMINATIONS

In accordance with the Tennessee Antidegradation Statement (Rule 0400-40-03-.06), the Division has made a preliminary determination that the proposed activities will result in greater than de minimis degradation of Exceptional Tennessee Waters (ETW). Pursuant to Antidegradation Statement, in waters identified as ETW, an activity that would cause degradation of habitat above the level of de minimis will only be authorized if the applicant demonstrates to the Division that reasonable alternatives to degradation are not feasible, the degradation is necessary to accommodate important economic or social development in the area, and the activity will not violate water quality criteria for uses existing in the receiving waters. Accordingly, the applicant has submitted an alternatives analysis and social and economic justification and the Division is seeking public comment on these subjects.

Our hearts were saddened again as we received word that Fae Maroon has passed away just 2 months and 11 days since her husband, Jack, passed away. The Lord knows best. We send our thoughts and prayers to the family. Those attending visitation on Friday night at Belmont were Pat Whitlow, Don Poston, Mike and Janet Jerrolds, and Esther Godwin. Then on Saturday,

Janice and Tyler Webb went for visitation in Oakland, Miss. at First Baptist Church.

Our service was well attended Sunday at church. It was a good Bible study taught by Fred Webb and a good message from Tyler Webb. We invite you to come and worship with us any time. We are located about 1 mile off Highway 64 East on Old Town Loop.

Shelia Webb is in Delzell, S.C. this week visiting with her son, Brent and wife, Elizabeth, and grandbaby, Riley Kate. I know she is having a great time with Riley Kate as she doesn't get to see her often.

IN THE CHANCERY COURT OF HARDIN COUNTY, TENNESSEE  
IN THE MATTER OF THE ESTATE OF ALICE RAYE WATSON - NO. PR-520

Herbert Loyd Stewart, Personal Representative

/s/ Herbert Loyd Stewart, PERSONAL REPRESENTATIVE

/s/ Terry L. Wood, Attorney

/s/ Martha S. Smith, Clerk of the Probate Court

(8232tp)

Jane Johnson, Ruth Whitlow, and Esther Godwin, along with Fred and Hunter Webb, Autumn, Janice Mitchell, and James Smith attended church service at Crump Baptist Church last Wednesday night where Tyler Webb was speaking. We enjoyed it very much.

Don Poston spent last weekend in Nashville. He and Becky Gibbs enjoyed a trip to the escape room there in Nashville on Saturday night. They had a lot of fun trying to escape, and they finally made it.

Jill Vinson had a good time last weekend celebrating her birthday on Saturday night. She, Chris, Graylee and Willa Jane enjoyed a meal at the Bear Creek Inn, in Clifton. On Sunday her mother and dad treated her to a meal at Haggy's,

then this past Saturday night Chris' dad Jack Ray Vinson and family from Jackson came over and they all enjoyed a meal at the Yamato, here in Savannah. Everybody enjoyed their time together.

Joyce Pierce, Mary Beth and Floyd Adkins, and Jaclyn were dinner guests with Chris, Brandy Pierce, and the girls on Sunday. They enjoyed it very much.

Kenneth and Wanda Smith visited awhile with me on Saturday afternoon. I always enjoy their visit.

Well it looks like rain this Monday morning. I sure wish it would, we sure do need it.

Don't forget to pray for the sick and shut-in and go to the church of your choice on Sunday. Have a good week.
